Poker Ride

As in the past, the MAD Poker Ride provides the opportunity and excuse to mount up and ride. This year the theme is ODDITIES, most are different from the ones used in the past.

The poker rides end on October 31st 2010. The poker hands will be drawn at the November Chapter Meeting and sent to me by December 15th with all checks made payable to **GWRRA-ILDist.** from a chapter checking acct. no cash please.
Five oddities visited will be a poker hand. Each hand will be $5.00. There will be awards given to the top three hands. The scoring for the cards drawn will be a little different. After the December 15th cutoff date, each card in the deck will be given a number value drawn at random. The total of these points will be given to the hand and with the three highest totals to be declared the winners. The winners will be announced at the 2011 Winter Warm-Up. (**Pictures are optional for the individual poker hand**).

There will be a special award presented to the Chapter that visits the most Oddities. To qualify for this award a Chapter Oddity Sheet must be submitted also these oddities must be in a chapter members poker hand.
