Debra

April 29, 2005

Dear

Thank you for your inquiry about new toll rates for motorcycles. The Illinois Tollway classifies motorcycles as a passenger vehicle, which means motorcycles pay the same rate as cars. A motorcycle is classified as a passenger vehicle and pays the same rate as autos.

Also, when a motorcycle travels the Tollway towing a trailer or a sidecar, there is no additional charge for the trailer or sidecar. The passenger vehicle rate is the only rate charged motorcycles.

As you probably know, tolls increased on January 1, 2005 to fund the Tollway's \$5.3 billion Congestion-Relief Plan. However, tolls will remain the same for customers with I-PASS. Tolls will double for drivers who pay with cash.

Tolls vary depending on which toll plaza or toll ramp you travel. So I am also enclosing this spread sheet about the different toll rates on our system. You can also find this information if you go to www.illinoistollway.com and click on the home page link on the left that says "Toll Info."

Thank you again for your interest in the Illinois Tollway,

Sincerely,

Michelle Damico
